# SPUD SUPPORTING BENDIGO FEATURES

*30th March 2015*

Connections of dual Group 1 winner and budding sire Spud Regis have thrown their support behind several feature races being conducted by the BGRA during the current Gold Rush Carnival and other events during the year.

The annual Belle of Bendigo series already carries the "Spud Regis @ Stud" sponsors name however today owner Brian Treloar has committed several free services to some Bendigo events in addition to the current sponsorship of the Bell Of Bendigo.

As part of the new promotion of Spud Regis, the winner of both the Spud Regis @ Stud Belle of Bendigo and the Mclvor Road Vet Clinic Beau of Bendigo finals to be held at Bendigo on Easter Sunday will receive a free service to the former track star who claimed the Adelaide and Australian Cups in an outstanding sprinting career.

In addition to the two Easter features, all Bendigo to Meadows race series during 2015 will also see the winners of those finals receive a free service to Spud Regis.

The BGRA is grateful for the support shown by Brian Treloar and Mark Grima (stud master) in the time that Spud Regis has been at stud. "It's terrific to secure sponsors at any time as it is not easy to obtain but Brian and the Spud Regis team have committed themselves to promoting their stud dog and giving him every opportunity to convert his race track success to the stud scene and we are excited and thankful that they have chosen to heavily support the Bendigo Club" said Club Manager Troy Harley.

"The connections of both the feature restricted win events over the Gold Rush Carnival as well as all future 2015 Bendigo to Meadows series' will no doubt appreciate the service being offered and hopefully this type of promotion will see a significant number of Spud Regis pups on the ground in the not too distant future to kick start his stud career".
