BENDIGO TO STAGE LAUNCHING PAD QUALIFIER AGAIN IN 2016

15th January 2016

Following on from the popularity of last year's series the BGRA is excited to announce details of the second running of the "Springboard" which will offer the winner of the series a Launching Pad entry form.

Open to greyhounds with 1 - 3 wins and no more than 25 starts, the BGRA Launching Pad Qualifier, known as The Springboard, will be held over 500m with heats on Friday 12th February 2016 and final on Friday 19th February 2016.

The conditions of the event fit in with not only the conditions of the Launching Pad at Sandown but also a final qualifying event to be held at Sandown as well and the Club is pleased to again be part of the unique concept.

In 2015, Midnight Ride set a new track record in winning the inaugural Springboard defeating talented chaser Bezerk with both greyhounds going on to build impressive records in the twelve months since the restricted win series.

For further details of the Launching Pad series visit the Sandown Greyhound Racing Club's website.
