Media Release

Ready 2 Race Auction 2020 still on the agenda

8th September 2020

The 9th edition of the Ready 2 Race auction is still on the agenda of the Bendigo Greyhound Racing Association with planning underway on several different scenarios in a bid to ensure that the event proceeds in 2020 under the Covid19 regulations of the time.

The Government's road map for regional Victoria is not precise on time frames but rather related to Covid cases making it difficult to confirm finer details such as the date for the event and nominations details however sellers and buyers can both be assured that the BGRA will be doing everything possible to see the auction go ahead.

Eligibility for the 2020 auction is all greyhounds whelped between 1 July 2018 and 30 June 2019 and in the event that excess nominations are received then preference will go to the youngest greyhounds at the close of nominations.

It is hoped the event will be run in mid to late November, or potentially early December dependant on regulations and an announcement regarding key dates such as nomination opening and closing and the event itself will be made as soon as they become available.
